

LANTRA

LandSkills Yorkshire and Humber

Are you a farmer,
forester or grower
in Yorkshire and
Humber?

You could benefit
from up to 70%
funding towards
training with
LandSkills Yorkshire
and Humber.

Get your hands on the funding and improve:

- The health and welfare of your livestock
- Resource efficiency
- Your use of nitrates and pesticides
- Management of waste
- Supply chains and marketing
- Environmental land management
- Business management
- Succession planning
- Risk management
- The response to the challenges of climate change
- And much more

LandSkills Yorkshire and Humber is part of the Rural Development Programme for England and works with a network of training providers so you can get the training you need to enhance the success of your business.
