Introduction to Agricultural Vehicles (E Learning)

At a glance…

E-Learning

Duration Notes:	1 - 1.5 Hours
Delivery Method:	E-learning
Prerequisites:	Internet access through PC, laptop or tablet.

Introduction

An introduction to agricultural vehicles, implements and attachments.

Overview in brief

This course covers a range of agricultural vehicles, implements and trailers. This course will help to identify, explain the functions and safety advice for using this equipment.

The finer details

This course consists of two modules. A minimum score of 70% is required to pass it.

Upon successful completion, a Lantra certificate of training will be available to download and print.
