Customised Provision

Recognised by: Lantra Awards

Introduction

This one-day course is designed for persons to learn and develop effective communication skills that are essential in the rural workplace.

Overview in brief

This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs. For further details about the course content and delivery locations, please contact the Training Provider using the details provided below.

The minimum age to undertake this course is 16.

This one-day course is designed for persons to learn and develop effective communication skills that are essential in the rural workplace. Covering instructional skills and listening skills and focusing on developing excellent inter-personal skills for harmonious communication in the workplace. The course combines trainer led discussions, theory, and group exercises.

The finer details

To provide clear understanding of communications responsibility and develop the relevant skills to perform effectively and efficiently as both listener and instruction giver. To understand how the whole communication process is crucial and how to adapt your style to the situation to produce the required outcomes by effective communication practices.

Method: The course will present you with a series of concepts and best practice management ideas along with opportunities to reflect on, discuss and put into practice those ideas.
