Customised Provision

Duration Notes: The expected duration for the course is one day,

> however please note this may vary according to factors such as level of experience, modules, or the ratio of instructors to

learners.

Lantra Awards Recognised by:

Introduction

With farm incomes under pressure, the need to diversify or alter enterprises is growing. This course stimulates thought on what might or might not work for the farm business

Overview in brief

This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs. For further details about the course content and delivery locations, please contact the Training Provider using the details provided below.

The minimum age to undertake this course is 16.

It should be of interest for businesses already pursuing research into a particular sector, as well as those who have not investigated anything yet. The course aims to highlight some of the major pitfalls that could occur, and raise awareness of such issues. It also provides a very simple framework of recording ideas, specifics etc using a SWOT template

The finer details

Course sessions can be expanded or reduced depending on the interests of the participants, and signposting given.

Who should attend?

Farmers, smallholders, farming families, diversified farms wanting to expand.

What will be covered?
