

Agriculture Health and Safety: How to Meet Your Legal Responsibilities (E-Learning)

At a glance...

E-Learning

Duration Notes:	Duration: 2 - 2.5 hours (4 - 6 hours including resources) approx.
Prerequisites:	Internet access through PC, laptop or tablet

Introduction

This course, developed with HSE assistance, will help you identify and manage safety risks.

Overview in brief

If you control or manage a farm, you are legally responsible for your safety and that of your employees, contractors, visitors, and anyone affected by your work.

The finer details

This free course consists of 8 modules, covering topics such as falls from height, falling objects, livestock, vehicles, children, electricity, and drowning and asphyxiation.

This E-Learning course consists of training only and a Certificate of Attendance will be available to download and print upon successful completion.
