

Essential Competencies for Transport management (ROI)

At a glance...

Assessed Customised Provision

Recognised by: Lantra Awards

Prerequisites: Holds or about to hold a supervisory role or higher.

Introduction

This programme is designed for new or aspiring supervisors or managers requiring a basic working knowledge of working as a transport manager in a haulage or bus operation.

Overview in brief

This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs. For further details about the course content and delivery locations, please contact the Training Provider using the details provided below.

The minimum age to undertake this course is 18.

This course has been designed to benefit those seeking a “Fast Track” initial training in transport management, as a refresher for existing transport managers, or those returning to transport management in Ireland.

This course is suitable for own goods operators, those transporting goods for hire and reward and bus operators based in Ireland.

This course plays an important role in the maintenance of skills and continuous professional development (CPD) of anyone working or intending to work as a transport manager in Ireland.

The finer details

The programme is divided into a number of sessions during the two-day course.
