Prerequisites:	Holds or about to hold a supervisory role or higher. Has completed the preliminary course in Safety, Health & Welfare (ROI) Foundation Level with Qualis Partner.

Introduction

This programme is designed for those required to carry out the role of project supervisor for the design process (PSDP) in the workplace

Overview in brief

This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs. For further details about the course content and delivery locations, please contact the Training Provider using the details provided below.

The minimum age to undertake this course is 16.

This programme covers the essential information required by a supervisor or manager with responsibilities for health and safety in their place of work.

The finer details

The programme is divided into sessions, with a theoretical assessment and assignment to conclude, both of which must be successfully completed in order to attain the Certificate.
