

Refreshing Essential Instructional Techniques

At a glance...

Customised Provision

Recognised by: Lantra Awards

Prerequisites: This course has been designed for candidates who are already delivering practical training courses.

Introduction

This course will help you evaluate and adapt the way you present your client meetings, ensuring you hold their attention, keep them engaged and deliver powerful messages.

Overview in brief

This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs. For further details about the course content and delivery locations, please contact the Training Provider using the details provided below.

The minimum age to undertake this course is 16.

This interactive course takes the learner on a voyage starting with the foundations of practical training, it's organisation and delivery. Through questioning, skills of facilitation will be enhanced to produce a positive learning experience based on the provision of knowledge and understanding.

The finer details

During this course you will:

- Review and refresh your training delivery

- Building on existing delivery
- Further gain confidence in delivering training
- How to create an environment to promote positive learning
- Review your plan and structure of your training course
- How to get trainees to think and participate through facilitation
- Develop questioning skills
- Demonstrate a practical skill to the rest of the group: tell, show, do

Who should attend?

Individuals or business groups who already provide training who now want to review and enliven delivery.

What will be covered?

- Evaluate and enhance your training delivery techniques to ensure clarity, engagement, and relevance to learners.
- Create a supportive and inclusive learning environment that encourages participation, confidence, and positive learning experiences.
- Use facilitation techniques to actively involve trainees, stimulate thinking, and promote meaningful discussion and interaction.
- Apply a range of effective questioning strategies to check understanding, provoke reflection, and encourage deeper learning.
- Confidently demonstrate a practical skill to the rest of your training group, incorporating clear instruction, appropriate pacing, and learner engagement.
