IMS – Division and Sector Commander Role

At a glance...

Assessed Customised Provision

Duration Notes: 4 hours

Recognised by: Lantra Awards

Prerequisites: A Site Incident Management Team workshop is desirable.

Introduction

This course has been designed to provide participants with greater knowledge of the specific role of Divisional and Sector Commander, in an Incident Management System.

Overview in brief

This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs. For further details about the course content and delivery locations, please contact the Training Provider using the details provided below.

The minimum age to undertake this course is 16.

To provide participants with greater knowledge of the specific role of Divisional and Sector Commander, in an Incident Management System, with reference to the Forestry Commission Incident Management System, Defra Generic Plant Health Contingency Plan and other approaches to provide the knowledge to work effectively as part of a Site Incident Management Team for incidents or events.

This is for either internal working or external interoperability and/or coordination with other organisations and the emergency services using JESIP.

The delivery method for this course is either E-Learning or Classroom

This course is delivered by the Forestry Commission and all enquiries should be sent to fc.training@forestrycommission.gov.uk.
