News Update: New 12C Training Materials

Lantra would like to confirm to the Training Provider network that the NHSS 12ABCD Committee have approved new training materials for NHSS 12C Operative and Supervisor. The new materials must be delivered from the 1st of January 2022 with all older materials deleted or destroyed thereafter.

Both 12C Operative and Supervisor courses will change from 2 day courses to 1 day.

In preparation for the new training material, Lantra will be holding a 12C Instructor Standard Setting Event (SSE) at Lantra house. All current 12C Instructors will be required to attend as it has been classified as a mandatory skill update.

The 12C SSE details:

Date	23rd November 2021
Duration	1 Day
Venue	Lantra House, Stoneleigh Park, Coventry CV8 2LG
Cost	£200 + vat per person

If a NHSS 12C Instructor is unable to attend the SSE on the date refer to, they will temporarily have the skill removed from their approval. To reactivate the 12C skill please contact Lantra directly and a one-to-one Standard Setting Event will be organised.

***Please note that one-to-one sessions will not take place before the main Standard Setting event date and will be charged for at the EQA day fee.**

Included with this news update is the NHSS 12C Instructor standard setting booking form. Please would you be kind enough to inform your current 12C Instructors, save the date in their diaries and ensure that a booking form is completed and submitted to NHSS-Highways@Lantra.co.uk.

Regards
NHSS-Highways Team
