

## Traffic Safety and Control Officers (TSCO)

### Please note the following:

All applicants must have successfully passed the NHSS 12A Foreman Course and hold an approved Lantra Awards 12A Foreman Course certificate or a 12A Foreman category on their card. NB It is acceptable to apply if you hold a 12B LTMO card, if you have successfully completed a 12A Foreman course. It is a requirement for new entrants to complete the LTMO course before the 12A Foreman course can be completed, those whom only hold 12A Foreman certificates that have expired will also be required to sit the 12B LTMO course before attending the 12A Foreman course, those renewing fully assessed 12A Foreman categories can refresh their current category by re-completing the 12A Foreman course.

The TSCO category will indicate that the applicant has completed and passed the 12A Foreman course as a requirement to operate as a Traffic Safety and Control Officer **only**. The cardholder is **not** a qualified Operative or Foreman unless stated on their card.

For those wishing to qualify as a TSCO or be reaccredited, must meet the following criteria:
