Who should attend?

All persons needing to become a Registered Traffic Management Operative (RTMO) as described in the Sector Scheme Document 12D.

What will be covered?

On completion of this training course you will:

- Be aware of Sector Schemes
- Be aware of Health and Safety requirements
- Be aware of Risk Assessments and Method Statements
- Be aware of the relevant Codes of Practice and other associated documentation when involved in traffic management
- Identify the equipment required in Temporary Traffic Management
- Understand the different methods of traffic control
- Be aware of the requirements of non-motorised road users
- Be prepared to undertake assessments to demonstrate an ability to implement, maintain and safely remove traffic control systems
- Understand the requirements for Mobile and Short duration works
- Understand the different methods of both passive and positive traffic control
- Understand the principles involved when dealing with roundabouts, road closures and diversions.

Other areas of interest

To become a registered NHSS12D M2 Moving Works Operative the appropriate NHSS12D assessment units need to be completed within a 2 year period from passing the NHSS12D T2 training Those gaining NHSS12D M2 cards can progress to additional NHSS12D T3 – T6 training courses and assessments.

IMPORTANT NOTE: NHSS12D M2 status **MUST** be maintained (ie an in date M2 skills registration card). An **EXPIRED** M2 skills registration card will invalidate skills registration cards held for M3, M4, M5, initially achieved when the M2 card was in date.
